School Mission statement

We strive to provide the best learning opportunities for all our children.

School aims

We aim to:

- Create a learning environment in which everyone aspires to achieve their potential throughout their learning journey
- Enable our children to acquire skills, knowledge and a positive attitude in order to become life-long learners
- Encourage our children to develop their emotional, social, and personal skills and become responsible citizens
- Promote equal opportunities for all regardless of ability, race, gender, disability, or background
- Promote care and respect for each other through the way in which we work.

HAPPINESS AND HIGH EXPECTATIONS
