

How to get involved?

Being part of the PTA does not mean you have to attend every meeting or help at every event.

It may be that you have a talent, business or new fundraising ideas that we could utilise or offers of help.

It is ok to help on an 'as and when basis'.

Can't come to evening meetings?

Don't worry there is still plenty of other ways to help

I'd like to get involved! I'd be happy to..... please tick the boxes and return completed form to PTA box in main reception or hand into the school office.

Lots of other people do lots of other things here and there, that we really value too!

Everyone who has a child at the school automatically becomes a member

We are a friendly bunch of parents and teachers

We represent all year groups

We are a registered charity

We aim to provide a “little bit extra” for the children and school community through organising ongoing fundraising and social events.

Our meetings are very informal

We usually meet in the evenings at a local pub two or three times a term

It's a good way to get to know more about the school, make new friends across different year groups & have closer links with staff

You might discover new skills that you never thought you had!

It benefits *your* children
